ABOUT LUXELET

At the root of the spectacular development that "LUXELET*" has witnessed and earned ever-growing customers' trust over the years, the organization is engaged a quality product and services that provided by our highly professional employees who are trained to operate effectively under most rigorous and competitive environment

"LUXELET" will carry on business at full capacity by increasing its total production and marketing capacity Product range and manufacturing competence for different products will be extended besides production capacity by means of the technological investments made and investment expertise supported.

The "LUXELET" Fittings are indispensable quality concept in production. It has been proven with its quality for 10 year warranty products offered to consumers in CHROME FAUCETS that it does not give up this understanding. There are qualifications that qualify for quality, humanity and environment.

Realizing that the production alone is not sufficient at the road to success, "LUXELET" believes in the power of sensational genuine designs which appeal to different feelings and create solutions for every problem. *LUXELET* achieves award winning designs through working with successful national and foreign designers. Also gives opportunity to young talents to demonstrate themselves. Therefore transfers the ideas of both professionals and young talents into exclusive designs and transforms such quality and practical designs into elegant bathrooms.

"LUXELET" that has adapted to the countless technological changes that have occurred in the sector, always following a policy of innovation and design to continuously improve the quality of the product and the service provided to customers.

"LUXELET" designs are based on the study of trends, but each collection has its own style under the seal of the brand *LUXELET*. This allows us to be at the Group of people producing design while maintaining our essence, a combination that gives great aesthetic value to each series.

In addition we make sure that our product is a benchmark in terms of technical quality.

LUXELET outstanding technical quality is combined with design of great aesthetic value to create an exceptional and functional product. For quality *LUXELET* uses the best quality of Sedal from Spain Ceramic cartridge for aerator *LUXELET* uses neoperl from Switzerland & For thermostatique we use Vernet brand from France
